However, they are unable to enroll in any courses until the course selection period starts.

Course selection period usually begins in 2 weeks before the semester starts for Semester 1 and at the first day of teaching for Semester 2, and lasts for 2 weeks during which students can access online course selection system and add / drop courses. Please note that course enrollment is done online via HKU Portal on a first-come-first-served basis. The periods of course selection can be referred from this page: [http://aao.hku.hk/sy3/plan-of-study/important-academic-dates/](http://aao.hku.hk/sy3/plan-of-study/important-academic-dates/).

### Academic transcript

In order to avoid any delay in the dispatch of official transcripts and to echo with the “Go Green” initiative of HKU, University-level exchange students who need a copy of the official transcript from HKU, either for submission to the home institution or any other purposes, will have to make their own arrangement by applying through HKU and the copy should be mailed to the students’ home mailing addresses.

The above arrangement would be applicable to all University-level incoming exchange students. If your institution also has exchange agreement(s) with any of our faculties/departments, please check with corresponding office(s) for the arrangement of official transcripts for incoming exchange students.

Students can apply for the transcript copy(ies) AFTER examination results have been released through [http://ase.hku.hk/asoffice/](http://ase.hku.hk/asoffice/) (Click “Transcript”->”Application – For graduates”) and there will be an administration fee incurred.
