**Note:** Classes normally end 10 minutes before you need to go to your next class giving you some time to travel across campus (eg. An 8:30am lecture will end at 9:20am, allowing you time to get to a 9:30am class)
*** For your APSC 143 (Computer programming) labs it is the ONLY class that you will have the choice of when to attend. There will be a time that shows in your schedule, but you will have a choice to attend: Mon evening 7:30-9:30pm, Tues 9:30-11:30am or Tues 2:30-4:30pm. The lab will run on Zoom but will have an option for some in person times. The lab will not run the first week of classes (Week of Sept 6).
