</table>

**Note:** Classes normally end 10 minutes before you need to go to your next class giving you some time to travel across campus (eg. An 8:30am lecture will end at 9:20am, allowing you time to get to a 9:30am class)
*** For your APSC 143 (Computer programming) labs it is the ONLY class that you will have
the choice of when to attend. There will be a time that shows in your schedule, but you will have a
choice to attend: Mon evening 7:30-9:30pm, Tues 9:30-11:30am or Tues 2:30-4:30pm. The lab will
run on Zoom but will have an option for some in person times. The lab will not run the first week of
classes (Week of Sept 6).

Maps:

Monday – Link to Google Map

**Note: APSC 111 Tutorial sections will be split into two rooms, please check the course OnQ site (when
it is open) for which room to attend
