## THE UNIVERSITY AND ITS SURROUNDINGS

Welcome to the University of Otago – an internationally recognised university located among the natural beauty of New Zealand’s spectacular South Island.

As a student at New Zealand’s oldest university, you will become part of a unique educational experience. Otago’s attractive campus is a mixture of historic and modern buildings located in the centre of Dunedin. The campus is a short walk from the city’s central shopping and services.

Our 21,000 students make up one sixth of Dunedin’s population, creating an energy and atmosphere that you’ll only find at Otago. The town and the University campus developed together, so Dunedin is one of just a handful of places worldwide where education is the main activity of the city.

Otago students rate its campus lifestyle as one of its strongest attractions. Students live as a community immediately around the campus area in student residential colleges or self-catering flats.

Join our community of 3,000 international students from over 100 countries!

**DUNEDIN** is a small city between the mountains, the harbour and the sea – that means there’s heaps to do and it’s easy to get to. Experience the distinctive beauty of each of Dunedin’s four seasons. The temperate climate brings warm summers and mild winters with some frost and very occasional snowfalls. No other city in New Zealand has the same range, quality and accessibility of leisure activities. Ride the best waves in the world, take on mighty mountain biking tracks, paddle-board, kayak or sail on the harbour, or head to Central Otago for a weekend on New Zealand’s top ski fields.
