Department of Chemical Engineering
Term Adjunct Position
(Con-taught)
Academic Year 2023/24

Posting Date: Monday, October 2, 2023
Closing Date: Friday, October 20, 2023

The Department of Chemical Engineering at Queen's University invites applications from suitably qualified candidates interested in teaching the following undergraduate course in the Winter session of the 2023-2024 academic year.

**CHEE 361 Engineering Communications, Ethics and Professionalism (Winter 2024)**
January 1 to April 30, 2024

**Qualifications:**
Candidates must have a minimum of a B.Sc. or B.A.Sc. in Chemical Engineering or a related field. Experience in process design, a minimum of 5 years of industry and/or academic experience. Previous teaching experience with demonstrated student mentoring at the university level will be preferred. Professional engineering licensure in Canada required. Candidates must have excellent communication and presentation skills and be capable of working as a member of a teaching team.

**Course Description:**
This course provides advanced instruction and practice in engineering communications, ethics, and professionalism. Effective engineering writing and speaking skills are developed with an emphasis on technical reports and oral presentations. Students will learn how to gather information from literature sources, apply appropriate citation styles, present data, and write effective documents. Activities include case studies involving the application of codes, engineering ethics, equity, and professionalism. This course is integrated with CHEE 331.

**Course Details:**
This course is delivered through 2 x two-hour tutorials period per week. The 4 hours of student contact time occur for twelve weeks.

**Expected Enrolment (subject to change):** 75 students

The above course will be taught on campus. Winter term undergraduate classes begin January 8, 2024. The candidate will deliver tutorials in the last six weeks of the term beginning February 26 ending April 8th.
COVID 19 On-Campus Requirements

Prior to May 1, 2022, the University required all students, faculty, staff, and visitors (including contractors) to declare their COVID-19 vaccination status and provide proof that they were fully vaccinated or had an approved accommodation to engage in in-person University activities. These requirements were suspended effective May 1, 2022, but the University may reinstate them at any point.

The University invites applications from all qualified individuals. Queen's is strongly committed to employment equity, diversity, and inclusion in the workplace and encourages applications from Black, racialized/visible minority and Indigenous/Aboriginal people, women, persons with disabilities, and 2SLGBTQ+ persons.

Academic staff at Queen's University are governed by a collective agreement between QUFA, and Queen's University.

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation during the interview process, please contact april.hiles@queensu.ca.

To comply with Federal laws, the University is obliged to gather statistical information about how many applicants for each job vacancy are Canadian citizens/ permanent residents of Canada. Applicants need not identify their country of origin or citizenship, however, all applications must include one of the following statements: I am a Canadian citizen/permanent resident of Canada; OR, I am not a Canadian citizen/permanent resident of Canada. Applications that do not include this information will be deemed incomplete.

Applications should include a complete and current curriculum vitae, a statement of teaching experience, the names and contact details of two referees who may be contacted, and any other relevant materials the candidate wishes to submit for consideration.

Applications can be submitted to the Term Adjunct Appointments Committee by e-mailing April Hiles at april.hiles@queensu.ca. Applications should be submitted by midnight EST on October 20, 2023.
