Below is an example of a typical time management schedule for first year engineering Term 1.

The grey cells indicate in-class hours. The purple is free time and the other colours are the out-of-class study hours planned for each class. The key is shown at the right hand side of the table. You need to submit two of these - one for fall term and one for winter term.

Time	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday	
7:30-8:30 AM								APSC111 (blue)
8:30-9:30	APSC161L	gym	APSC171T	gym	APSC151Lab			5 hours
9:30-10:30			APSC131T	3	APSC151Lab			APSC131 (yellow)
10:30-11:30	gym		lunch	APSC100Lab	lunch			3 hours
11:30-12:30	APSC151L		APSC171L	APSC100Lab	APSC161Lab	gym	APSC100 M1	APSC171 (red)
12:30-1:30	APSC171L	lunch	APSC151L	APSC100Lab	APSC161Lab	lunch	lunch	5 hours
1:30-2:30	lunch	APSC111L	APSC100L	APSC171L	APSC161Lab			APSC151 (orange)
2:30-3:30	APSC111L	APSC131L	APSC161L	APSC151L		APSC111	APSC100 M2	2 hours
3:30-4:30	APSC131L		APSC1(1T	APSC111L				APSC161 (green)
4:30-5:30		APSC171		APSC131L	gym			3 hours
5:30-6:30								APSC100 (black)
6:30-7:30								5 hours
7:30-8:30	APSC131	APSC171	APSC100 M2				review of	ME TIME (purple)
8:30-9:30			APSC161	APSC151L		exam /quiz	previous	(remember these
9:30-10:30						study time	week	hours are only an
10:30-11:30						if needed		estimate. You may
11:30-12:30	one ho <mark>ur for all l<mark>ecture not</mark>e review</mark>							want to add more)
12:30-1:30								

fill in dinner, breakfast and lunch blocks fill in study blocks - in best locations

(note tutorial times for best block times)

fill in review times - late night and Sunday aft.

fill in personal time.

REVISE IF NOT WORKING!!!

clear spaces are for making up time if needed
