FACULTY OF ENGINEERING AND APPLIED SCIENCE
Teaching Position Available
Academic Year 2020/21

Posting Date: October 15, 2020
Closing Date: November 15, 2020

The Faculty of Engineering and Applied Science at Queen’s University invites applications from suitably qualified candidates interested in teaching the following first year undergraduate course in the 2020/21 session.

APSC 171 Calculus I (Winter 2021- J-section)
Jan 11 to Feb 12, 2021

Qualifications:
Minimum of M.Sc. in Mathematics or related field. Previous teaching experience at the University level considered an asset. Previous educational background and/or experience must be suited to teaching the course described below. Candidates must have excellent communication and presentation skills, as well as being capable of working as a member of a teaching team.

Course Description:
Functions, limits, derivatives; optimization, rate problems, exponentials, logarithms, inverse trigonometric functions; exponential growth as an example of a differential equation. Fundamental Theorem of Calculus, Riemann integral; applications to problems involving areas, volumes, mass, charge, work, etc. Some integration techniques.

Course Details:
This course involves online synchronous and asynchronous delivery for five weeks.

Expected Enrolment (subject to change): 100 students

The above course will be taught online. Winter term classes begin Mon Jan 11 and end Friday Feb 12, 2021. The Winter J-section term examination period is Feb 16 to 19, 2021. More information on the Undergraduate Academic Plan can be found here.

The successful applicant will be required to convert course materials to an accessible online format satisfactory to the Course Coordinator and Associate Dean, Academic.

Please be advised that due to the current COVID-19 Situation, the University currently requires all non-essential services staff to work remotely. Until the requirement to work remotely is lifted, you will be required and must be able to work from home, including having a high-speed internet connection.

The University invites applications from all qualified individuals. Queen’s is committed to employment equity and diversity in the workplace and welcomes applications from women, visible
minorities, Aboriginal peoples, persons with disabilities, and LGBTQ persons. All qualified candidates are encouraged to apply; however, Canadians and permanent residents of Canada will be given priority.

Academic staff at Queen’s University are governed by a collective agreement between QUFA, and Queen’s University. [http://www.queensu.ca/facultyrelations/faculty-librarians-and-archivists/queens-qufa-collective-agreement](http://www.queensu.ca/facultyrelations/faculty-librarians-and-archivists/queens-qufa-collective-agreement)

Teaching Fellows at Queen’s University are governed by the Collective Agreement for Teaching Assistants and Teaching Fellows between PSAC Local 901 and Queen’s University. Remuneration will be in accordance with the Collective Agreement, and appointments are subject to funding or enrolment criteria. [http://queensu.ca/facultyrelations/teaching-assistants-and-fellows/collective-agreement](http://queensu.ca/facultyrelations/teaching-assistants-and-fellows/collective-agreement).

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant’s accessibility needs. If you require accommodation during the interview process, please contact engineering.hr@queensu.ca.

To comply with Federal laws, the University is obliged to gather statistical information about how many applicants for each job vacancy are Canadian citizens/permanent residents of Canada. Applicants need not identify their country of origin or citizenship, however, all applications must include one of the following statements: I am a Canadian citizen/permanent resident of Canada; OR, I am not a Canadian citizen/permanent resident of Canada. Applications that do not include this information will be deemed incomplete.

Applications should include a complete and current curriculum vitae, a statement of teaching experience, the names and contact details of two referees who may be contacted, and any other relevant materials the candidate wishes to submit for consideration. Applications can be submitted to the First Year Committee at the address below, or by e-mail to engineering.hr@queensu.ca. Applications should arrive no later than November 15, 2020.
