

# Direct Entry Programs

1

## Apply to a Direct Entry Program

Electrical and Computer Engineering Innovation Program

Mechatronics and Robotics Engineering

2

## Take first year courses

Some courses are discipline-specific

Take program-specific courses in First and Second Year

3

## Choose your discipline

Choose electrical or computer engineering by the winter deadline

**Third Year** – Select Mechanical or Electrical stream

**Fourth Year** – Specialize in one of four concentrations:

- Robotics
- Automation
- Biomedical
- Intelligent Systems
